Reviews of Previous Work

Company Ensemble member - 'Dinner With Addiction' - The Owl & Cat Theatre

'Michelle Robertson is a gifted, natural performer. Her vitality and zest for her art form are apparent. She immediately stands out and has an innate ability to stamp her mark on potentially tricky scenes. Among them was a monologue she absolutely nailed. Michelle doesn't play safe, rather trusts her instincts and those are finely tuned. We, the audience, are undoubtedly the beneficiaries'. Alex First, Theatre First, Dec 2016

Em - 'Disgust' - La Mama 2018 Winter season

'...it must be noted that both Robertson and Burgess are magnetic. The dialogue becomes secondary to the natural warmth and charisma exuded by the two performers; they remain hypnotic on stage despite the convoluted trail of their conversation'. Elizabeth Seychell, Farrago Magazine, Sept 2018

Nigella - 'Nigella' - Frankston Arts Centre, Arete:Delta – one-act play Festival

'Beginning Act 2 is Michelle Robertson as Nigella, yes, THE food goddess...it is uproariously funny, yet underscored with pockets of truthfulness at the same time. Robertson cleverly intermingles with the audience with hilarious results'. Penelope Thomas, Stage Whispers, May 2018
